# E-BRIDGE MOBILE APP

## Setting Up Your Personal Financial Website

This guide will walk you through the steps needed to set up your new E-Bridge App, through a custom log-on page on your iPhone or iPad. Once completed, you will have secure access to your personal financial website and will be able to view all of your accounts on one page, see your transactions, monitor your spending, get updated on your investments, access your important documents, and more!

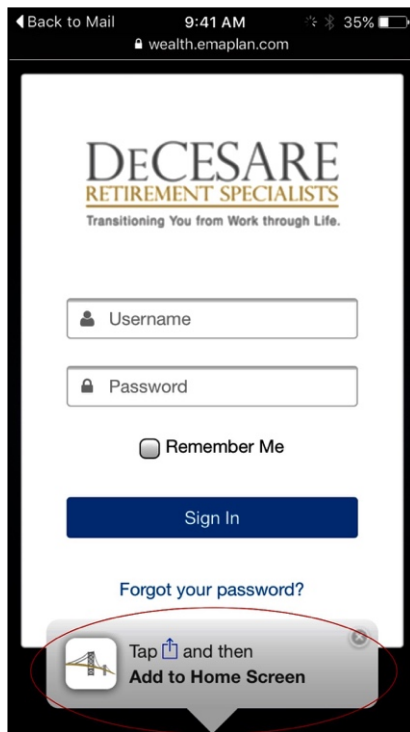

### 1. Open the Safari browser.

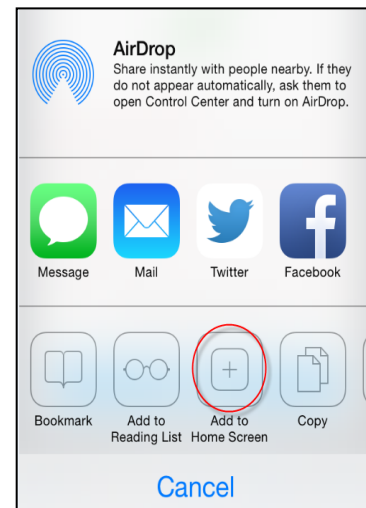

### 2. Enter your login URL

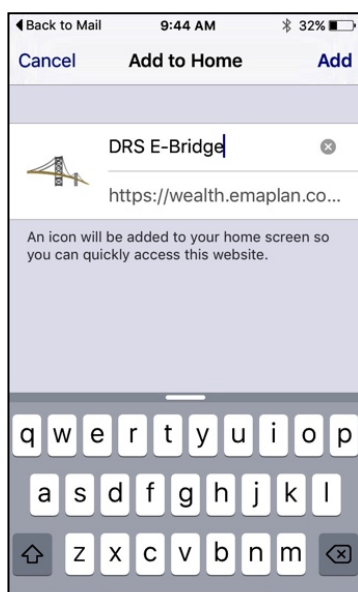

**3. Click the highlighted icon below.**

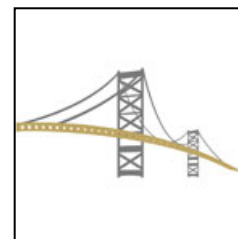

**4. Select “Add to Home Screen”**

**5. Name the App “DRS E-Bridge” and Select “Add”**

**5. You are now ready to access your site!**
